September 2026

Dear Parent or Guardian:

RE: STUDENT ACCIDENT INSURANCE

The Upper Grand District School Board does **not** provide accident insurance coverage for student injuries that occur on school premises or during school activities. Accidents can and do happen. Some injuries incur medical, dental or other expenses that are not covered by Provincial health care or employer group plans. As a parent or guardian, you become responsible for these expenses.

Under *the Education Act*, the Board is empowered to make available an Accident and Life Insurance Program for students. Families have a choice between two Providers for the purchase of Student Accident Insurance. Both Providers offer a variety of plans and benefits at affordable annual prices.

Student Accident Insurance Provider Information:

INSUREMYKIDS®– Underwritten by Old Republic Insurance Company of Canada
Website: **www.insuremykids.com**; Telephone: **1-800-463-5437**

STUDYINSURED™ – Underwritten by Certain Lloyd's Underwriters through AON insurance
Website: **www.studyinsuredstudentaccident.com**; Telephone **1-833-560-0527**

Both Providers offer 3 plans providing coverage 24 hrs / 7 days a week. Each plan offers different levels of coverage ranging in price from $17 - $33 per year. Family rates for 3 or more children are offered. There is an added bonus of locking-in at current rates for 3 or 5 years. If you wish to purchase or if you have any questions in regard to coverage, please visit their website or call them toll free.

Please note that payment is made directly to the Provider. The insurance agreement is between **you and the Provider**. The Upper Grand District School Board is not compensated in any way regardless of the number of students participating in the insurance program. Our interest is in protecting our students and their families, resulting in healthier and financially secure communities.

Student Accident Insurance is strongly recommended for all students, especially students participating in extra-curricular athletics. It can be used when your OHIP and employer health and dental plans have been exhausted, or it can be used if you don't have an employer health and dental plan.

Please visit the Provider's website for more information. Some promotional information is posted on the Upper Grand District School Board website and can be viewed at this link: https://www.ugdsb.ca/page/accident-insurance

Sincerely,

Peter Sovran
