CENTENNIAL
Collegiate Vocational Institute

Overview

As the name "Centennial" indicates, our school was opened in 1967 with the motto "Success Through Hard Work". Centennial CVI is the southernmost secondary school in the Upper Grand District School Board and offers a full program of academic, arts, athletics, business and technological studies programs. Our proximity to the University of Guelph contributes to the high standards and academic focus that our parent community expects.

Staff and students at Centennial not only strive for scholarship but also emphasize social responsibility, community involvement and respect for other persons.
