## School & Board Information

**Register for School and Find Your Path!**
Every student is different. Every student has their own strengths, interests, goals and dreams. At the Upper Grand District School Board, we want every student to have the opportunity to Find Your Path.

Across the UGDSB, we create student-centred learning environments where students are encouraged to explore what interests them, discover what they're good at and build the skills and confidence they need for what comes next.

From a child's first days in Kindergarten through to graduation, our caring educators and staff work to help students feel supported, included and excited about learning. Whether a student finds their path through academics, the arts, athletics, skilled trades, technology, leadership, experiential learning or something they have yet to discover, there is a place for them to learn and grow at the UGDSB.

Ready to Find Your Path?

Are you or someone you know looking to register a child for school? Elementary Registration for the 2026-27 school year is being held at all UGDSB elementary schools from September 1-4, 2026. Families can also register students for elementary and secondary school throughout the school year.

Learn more about registration, admissions and how to get started.

# Transportation

The UGDSB is one of several school boards that are in a Transportation Consortium. Student transportation is provided by STWDSTS.

If your child takes the bus, you can easily access your child's bus schedules by signing into the parent portal at family.ugdsb.on.ca with the email address you gave to your school. Once logged in, click the "BusPlanner" tile.

For more about STWDSTS, click here.

# More from the UGDSB

**We Are Here to Help!**
As we gear up for the first day of school, we want to remind our community that you don't need to know exactly who to contact— we are here to help! If you have questions or need support, we can help you find the right answer and direct you to your next step.

For almost all school-related questions, your first step is to reach out to your child's school. You can find the number on their website or by visiting the UGDSB School Directory.

Important Dates & Calendars: School Year Calendars (outlining school days, PA days, and holidays) are available on the board website. You can also view upcoming board and committee meetings on our Events Calendar.

Don't forget to download the UGConnect app to get school news feeds and push notifications. You can also follow us on Facebook and Instagram (@UpperGrand).

We are so excited to welcome all of our new and returning families on September 8th!
