THE LIEUTENANT GOVERNOR OF ONTARIO
LA LIEUTENANTE-GOUVERNEURE DE L'ONTARIO

June 2026

As the representative of the Crown in Ontario, it is with great pleasure that I extend my heartfelt congratulations to the Class of 2026.

Your graduation is more than a milestone — it reflects the curiosity and perseverance you have demonstrated throughout your journey. It is a moment to celebrate not only your academic achievements, but also the friendships formed, the challenges overcome, and the confidence you have gained along the way.

Take a moment to recognize those who have walked this journey alongside you — your family, your teachers, the dedicated school staff, and your friends. Their support has contributed to your success and to this moment of celebration.

As you look ahead, you may be preparing to continue your studies, enter the workforce, or explore new paths yet to be imagined. Whatever direction you choose, carry with you the curiosity and the resilience you have demonstrated during your school years.

Your generation has the capacity to strengthen our province by building caring and supportive communities. Your ideas, your actions, and your voices matter.

Congratulations once again, Class of 2026. The future is yours — embrace it with confidence.

Sincerely,

Edith Dumont
