Re: Welcome Back 2026 Message from the CISND Board of Directors Chair

Greetings,

On Behalf of the Board of Directors, I would like to welcome everyone back to school. At CISND we are looking forward to another successful year. The schools have done very well in the last few years. It is important to the Board that you know that all your efforts are very much appreciated. We know how much work goes into the education of our children, and we know how important that is to you, the parents, and all the staff at CISND Schools.

The Board is committed to the continued growth in faith and the continued upkeep and improvement of the schools to provide a first-class Catholic learning environment for our children.

It is also the priority of the Board that we foster the spiritual and educational goals of our students. These are lofty goals, but we believe that they are possible, and together, we can help all the members of the CISND community in their journey of faith and knowledge.

Know that our prayers are with all of you as we journey together. God Bless.

Respectfully,

Arnie Kouwenhoven
CISND Chairperson, Board of Directors
