Important Updates

We are excited to share an important update regarding admission to the Bachelor of Social Work (BSW) program at the University of Regina (Main campus in Regina, satellite campus in Saskatoon or distance students).

The Faculty of Social Work has introduced a Direct Entry BSW admission pathway, which allows students to apply directly from high school. Students are no longer required to complete Pre-Social Work courses before being eligible to apply for admission to the BSW program.

To be considered for admission, high school applicants must have a minimum admission average of 70%.

The BSW application period for the upcoming intake is:
Applications open: October 1
Application deadline: January 15

As part of the application process, students will be required to complete one supplementary essay question. To assist with preparing their response, applicants are encouraged to review the Canadian Association of Social Workers' Code of Ethics, Values, and Guiding Principles.
