## Spring Flower Fundraiser

Again this spring, the school is partnering with Flowerbed Greenhouse to bring a variety of three different spring/summer plant options. Sales will open April 1<sup>st</sup> and run through April 27<sup>th</sup>. Tickets will be available for pick up at the school on Friday, May 1<sup>st</sup> and can be redeemed at the Blenheim location May 5<sup>th</sup> through May 26<sup>th</sup>. All purchases need to be made through School Cash Online.

## Supports for your students' Math learning

We know that there are many times when your child(ren) are struggling with a Math concept and parents and caregivers feel at a loss as to how they can support them. At times, the people at home feel that the math is different than how they learned about math in school, and therefore frustration ensues for both the student and the adult trying to help. A great place that offers **FREE** tutoring for students Grade 4 to 8 students is TVO mathify tutoring, found at <https://mathify.tvolearn.com/> As well, the LKDSB has compiled a very comprehensive site where there are numerous resources to assist families and students with support specifically in the area of Mathematics. Follow the link to <https://sites.google.com/lkdsb.com/lkdsbmathresources/home> Finally, connecting with your child's educator to determine any suggestions for next steps is always a great place for conversation.

## Ontario Student Nutrition Program

Our next offering is going to be in late April, where each student in the school can select a sandwich of their choice; ham, turkey or veggie with their choice of toppings; lettuce, cheese, pickles, cucumbers, and tomatoes and sauces; mayo, mustard or sub sauce. The ordering will take place through School Cash Online, and the cost will be **FREE!** Our intermediate students will be partnering with the BDHS Hospitality Class to help prepare the sandwiches. Sandwiches will be arriving on **Wednesday, April 29<sup>th</sup>. Orders are due in School Cash Online on April 21<sup>st</sup>.**

## Tomorrow's Greener Schools Today

A partnership between the Lower Thames Valley Conservation Authority, the Chatham-Kent Public Health Unit, and funding provided through the TD Friends of the Environment Foundation, our school yard will be growing by 6 trees. These trees are native species to the South-Kent area, and include tulip trees, red oak, and red maple. Our group of eco-conscious student recycling helpers will be involved in planting these new trees later this month. The hope is that they will provide shade for students in the future as well as helping the habitat of local species and the ecosystems at Harwich Raleigh.
