Parent Council News

The last Parent Council meeting of the year was on May 27th. Due to the small number of people at the meeting, the election of new members was postponed until the first meeting in the fall. Please keep this in mind if you are interested in taking on a role on this vital school committee.

LIBRARY NEWS

Library classes and book sign-out will end June 5, 2026. Please help your child ensure they have returned any books they have signed out by June 8.

June 18, 8:30 AM – 10:15 AM: Mathematics Part B

Preparation: Ensure students arrive on time (before 8:30 AM), are well-rested, and have had breakfast.

Students can use the Alberta Education assessment platform for practice tests. Official past exam materials are available on the [Alberta Provincial Achievement Tests site](#) to help prepare for the tests.

Spring Has Sprung!

Now that the warm weather is finally here, please ensure that your child(ren) wear appropriate clothing and footwear for outside, depending on the weather conditions. When it is wet outside, we would like students to wear rubber boots. Also, it is a great idea for them to have a hat and sunglasses to wear when the sun is shining brightly.
